

# Weaving Wisdom

*Groups of women from different faiths in the UK and Pakistan have met & considered the wise women that have influenced their lives, the wise women from their faith traditions, and the wisdom they have both experienced and shared. Based on these conversations, the groups have created rugs, turning thoughts into tangible images.*

*The resulting exhibition "Weaving Women's Wisdom" is in Preston during Inter Faith week.*

## **Exhibition on display in Preston Minster**

**Mon 12 Nov all day; Tues 13 from noon; Thurs 15 from noon; Fri 16 all day; Sat 17 all day**

**Tuesday 13th Nov**
